静音仓可以在同一环境下承担不同的功能，在办公场所，你可以打私人电话，也可以用于接待客户。

静音仓的顶部可以安装医用级消毒灯，可以在人离开后自动消毒30分钟（选配）

The silent warehouse can take on different functions in the same environment. In the office, you can make private calls or use it to receive customers.

A medical-grade disinfection lamp can be installed on the top of the silent compartment, which can be automatically disinfected for 30 minutes after the person leaves (optional).

图书馆是一个宁静的学习环境，在学习中遇到问题需要和同学或者导师讨论时，为了不影响其他人，一个舒适而不影响他人的私密空间就显得特别重要了。

静音仓外观有4种不同颜色 1：白色 2：深灰 3：红色 4：宝蓝色内部可采用聚酯纤维隔音板或者进口羊绒面料（有不用颜色选择）

The library is a quiet learning environment. When you encounter problems in learning and need to discuss with classmates or tutors, in order not to affect others, a comfortable and private space that does not affect others is particularly important.

The appearance of the silent warehouse has 4 different colors 1: White 2: Dark gray 3: Red 4: Royal blue The interior can be made of polyester fiber sound insulation board or imported cashmere fabric (with different colors)
